

Machine Name : Double spindle Turn-milling machining Center

Brand : GOODWAY

Machine Model : GS-260YS

Stock No. : 87760

Ex-factory Date : 2012

Main Technical Parameters:

CNC CNC System: FANUC 18i-TB

Rotary diameter: 470mm

machining length: 600mm

12-position servo tool turret

spindle: 10 inches

The Subspindle is 6 inches

Accessories:

Drive live tool

It has the Y-axis and the B-axis
