

Machine Name : Horizontal machining center

Brand : OKUMA

Machine Model : MB-10000H

Stock No. : 64815

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: OSP-P300M

Worktable size: 1000*1000mm

three-axis travel: 1400*1250*1250mm

magazine capacity :40

spindle: BT50

Spindle speed :6000 RPM

The water outlet from the center of spindle belt

Fully close-loop optical glass scale

The B-axis is 1/1000 degree
