

Machine Name : Three-coordinate

Brand : HEXAGON

**Machine Model : EXPLORER
PERFORMANCE 08.12.06**

Stock No. : 87872

Ex-factory Date : 2022

Main Technical Parameters:

Measured travel: 800mm×1200mm×600mm

Machine Footage: 1350mm×2023mm×2658mm

Structural design: Precision triangular beam structure, dovetail guideway closed-loop structure

glass scale CNC System: Heidenhain glass scale

Balance technology: Patented pneumatic balance technology

Motor setting: Remote motor
