

**Machine Name : Vertical machining center**

**Brand : Hangong**

**Machine Model : HG1370**

**Stock No. :  
635ecc5eb2660053bcced49f39180bfe**

**Ex-factory Date :**

**Main Technical Parameters:**

Three axis stroke: 1300 \* 700 \* 650mm

Distance from workbench to spindle end face: 120-700mm

Distance between the front end of the column and the center of the main shaft: 680mm

Workbench area: 1400 \* 700mm

Bearing capacity: 800kg

T-line slot: 18 \* 110 \* 6mm

Workbench height: 900mm

Fast displacement: 30m / min

Spindle speed: 12000rpm

Spindle motor: 11kw

Positioning accuracy: 0.003/300mm

Overall dimension: 3650 \* 2750 \* 2850mm
