

Machine Name : Play tricks

Brand : Tsugami

Machine Model : S206A

Stock No. : 64967

Ex-factory Date : 2020

Main Technical Parameters:

CNC CNC System: FANUC Tf Plus

machining diameter: 20mm

machining length: 210mm

Spindle speed: 10,000 RPM

spindle power: 3.7/5.5KW

Machine weight: 2600KG

External Footage: 2110×1200×1835mm

Configuration

It is equipped with 4 side milling power units

Three end milling power units

Four rear axle power units

With a rotating guide sleeve

high pressure oil pump

Oil mist machine

Aines feeding machine

Transformer
