

Machine Name : CNC gantry machining center

Brand : SHODA

Machine Model : TOM1503B

Stock No. : 88023

Ex-factory Date : 2017

Main Technical Parameters:

CNC System: FANUC oiMF, Alpha Drive

Two linear guideways and one rigid guideway.

Gantry height: 1500mm

Gantry width: 1700mm

Worktable: 1300*3000mm

With a glass scale

Built-in double helix + chain pin placement machine
