

Machine Name : High-speed machining center

Brand : Tsugami

Machine Model : VA4

Stock No. : 65085

Ex-factory Date : 2019

Main Technical Parameters:

CNC CNC System: FANUC

Spindle speed: 10,000 resolutions

Worktable size :850*510mm

three-axis travel :720*510*460mm

spindle power :18... 5

BT40 spindle

High precision and high rigidity

It weighs over five tons
