Machine Name : CNC double-sided boring and milling machining center

Brand : Mitsubishi

Machine Model : M-HT13P

Stock No. : 88106

Ex-factory Date : 2005

Main Technical Parameters:

CNC CNC System: FANUC 18i-MB

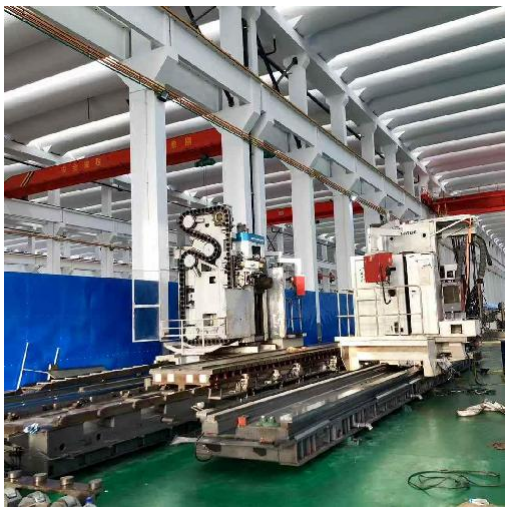

WorkWorktable size: 8000*1250mm

Spindle speed: 2500rpm

travel of X*Y*Z axis: 9500*2000*700mm

machining precision: 0.007mm

power: 13.5kw
