

Machine Name : machining center

Brand : DOOSAN

Machine Model : MYNX5450

Stock No. : 65094

Ex-factory Date : 2019

Main Technical Parameters:

CNC CNC System: FANUC

three-axis travel: 1040*540*530mm

Worktable size: 1200*540mm

3 axes rigid guideway

Spindle type: BT50

magazine capacity: 24

Configuration

spindle is equipped with a center flushing outlet

Original Tokugawa four-axle

With a disc tailstock

chip conveyor
