

Machine Name : Horizontal machining center

Brand : Makino

Machine Model : A77E

Stock No. : 88227

Ex-factory Date : 2001

Main Technical Parameters:

three-axis travel: 750*750*800mm

Worktable size: 630*630mm

Spindle speed: 8000 RPM with center flushing outlet

tools magazine: 131

Tool holder: CAT50

One degree and 0.001deg

Four-axis glass scale with full close loop
