

Machine Name : Gantry machining center

Brand : AWEA

Machine Model : LP4021Y

Stock No. : 487803

Ex-factory Date : 2023

Main Technical Parameters:

CNC CNC System: FANUC Plus

three-axis travel: 4000*2800*1160mm

Worktable size: 4100*2100mm

Spindle speed: 6000Rpm

magazine capacity: 32

spindle type: BB50

Linear guide: Two linear guideways and one rigid guideway

Height increase: 200mm

Inner width of the force column: 2300mm

Width of the force-adding column: 3200mm

Accessories:

Semi-automatic side milling head #1 with five-degree point and degree

helix chip conveyor
