

Machine Name : Vertical machining center

Brand : NEWAY

Machine Model : VM1506S

Stock No. : 88356

Ex-factory Date : 2017

Main Technical Parameters:

CNC CNC System: FANUC

Worktable size: 1500*800mm

three-axis travel: 1350*800*680mm

3 axes heavy-duty linear guideway

Spindle type: BT50

Spindle speed: 6000 RPM

magazine capacity: 32

Main motor power: 18.5kW

Configuration

30 kilograms of Center flushing

Taiwan GSA+ 320 four-axle

Including the tail stock

Faucet-type chip conveyor
