Machine Name : Turn-milling machining Center

Brand : MAZAK

Machine Model : IVS-300M

Stock No. : 88383

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: Mazak 640

Maximum travel of the X-axis: 880mm

Maximum travel of the Z-axis: 280mm

Maximum machining diameter: 350mm

Maximum machining length: 180mm

12-position hydraulic servo-powered tool turret

12-inch hydraulic chuck

Automatic feeding

Automatic clamping

PamtonSchnell
