**Machine Name : High-speed machining center**

**Brand : JD**

**Machine Model : JDHGT400T**

**Stock No. : 65357**

**Ex-factory Date : 2021**

**Main Technical Parameters:**

It can be machining  as small as: p0.05mm

machining  precision :2-5μm

Spindle speed: 36,000rpm

three-axis travel: 400x400x200mm

Tool holder: HSKE32

tools magazine: 20

Equipped with a Fully close-loop optical scale

It comes with two Tool Aligner

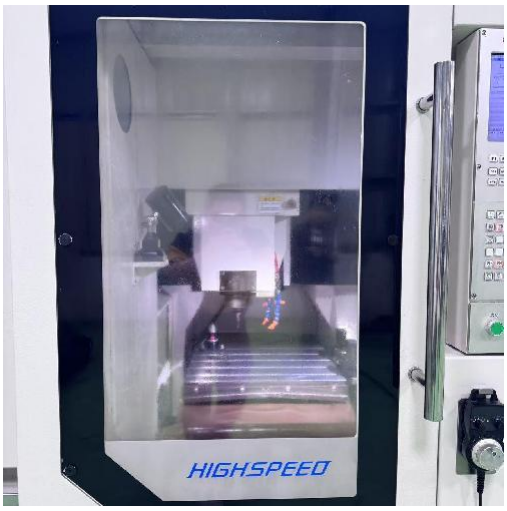

WorkWorktable size: 530x430mm

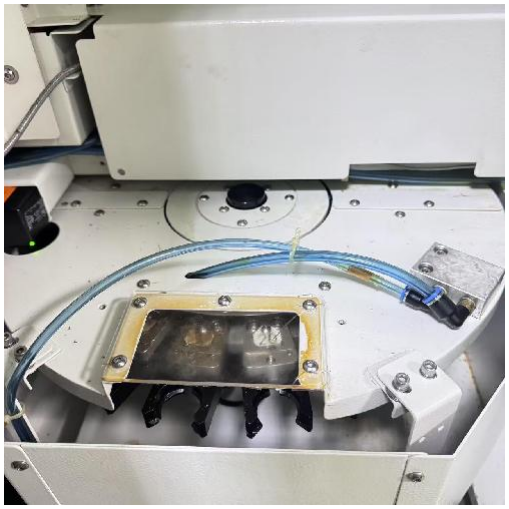

load: 300kg.

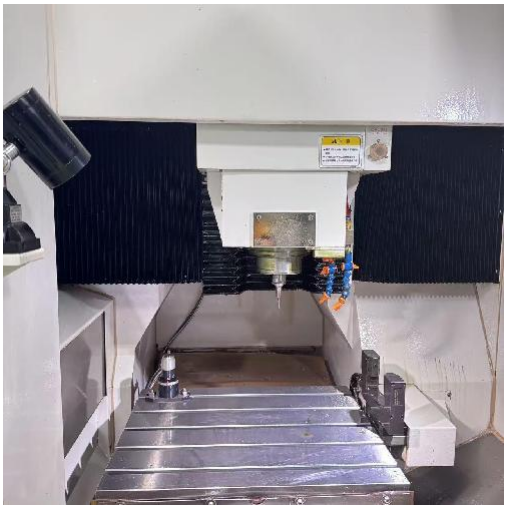

Tool changing time :2.5 seconds
