

Machine Name : Drilling and tapping center

Brand : JIRFINE

Machine Model : T-7C

Stock No. : 88402

Ex-factory Date : 2024

Main Technical Parameters:

CNC System: FANUC MF-Plus

three-axis travel: 700*400*300mm

Spindle speed: 24,000 RPM

spindle taper: BT30

Distance from spindle nose to worktable: 120-420mm

Distance from spindle center to the column rail surface: 460mm

Worktable size: 850*400mm

magazine capacity: 21
