

Machine Name : Vertical Plastic injection machine

Brand : NISSIN

Machine Model : TH40E

Stock No. : 88457

Ex-factory Date : 2018

Main Technical Parameters:

swing diameter: 19mm

Injection capacity: 23cm³

Maximum injection pressure: 196Mpa

Clamping force: 392Kn

Mold locking travel: 240mm

Mold thickness used: 190-290mm

Maximum mold opening distance: 530mm

Pull rod spacing (H*V) : 360*360mm

Template size (H*V) : 520*520mm

Top rod travel: 40mm
