

Machine Name : CNC lathe

Brand : HARDINGE

Machine Model : GS200

Stock No. : 65555

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: FANUC

8-inch chuck

The diameter of spindle through hole is 62mm

Maximum Spindle speed: 5000rpm

magazine capacity: 12

X* Z-axis fast shift: 30*30m/min

Positioning precision of X*Z axis: 0.01*0.01mm

The precision of repeated Positioning along the X*Z axis is 0.01*0.01m
