

Machine Name : Horizontal machining center

Brand : JIRFINE

Machine Model : JHT-800

Stock No. : 65557

Ex-factory Date : 2024

Main Technical Parameters:

CNC System: FANUC MF-puls

three-axis travel: 1500*1100*1100mm

Worktable size: 800*800mm

Worktable indexing: indexing resolution of 0.001deg

Spindle type: BT50

spindle is equipped with oil cooling

magazine capacity: 30
