

**Machine Name : Double-station
horizontal machining center**

Brand : Toyota

Machine Model : FA800S

Stock No. : 88693

Ex-factory Date : 2009

Main Technical Parameters:

CNC CNC System: FANUC 31

Worktable size: 800*800mm

three-axis travel: 1350*1150*1150mm

worktable is indexing resolution of 0.001deg

Spindle speed: 6000 RPM

spindle: BT50

magazine capacity: 40

3 axes rigid guideway

With a glass scale

With a central outlet
