

Machine Name : 5 axes machining center

Brand : Mikron

Machine Model : HEM500U

Stock No. : 4487819

Ex-factory Date : 2017

Main Technical Parameters:

CNC CNC System: Heidenhain

three-axis travel: 500*450*400mm

Spindle speed: 12,000 rpm

magazine capacity: 30, tool arm type

B axis: -65° to +110°

C-axis: 360° (any Angle)

Board: 500

Accessories:

Equipped with a chip conveyor

Oil-water separator

Each axis is equipped with a glass scale
