Machine Name : Fully automatic three-coordinate measuring machine

Brand : COORD3

Machine Model : MCT StarLight 40 20 15

Stock No. : 44487780

Ex-factory Date : 2013

Main Technical Parameters:

Measurement range: 2000mm*4000mm*1500mm

Control CNC System: B3C LC control box

Probe CNC System: RENISHAW The fully automatic measurement module is PH10M+TP20

Accessories:

Measuring needle: 1

Extended rods: 2 pieces

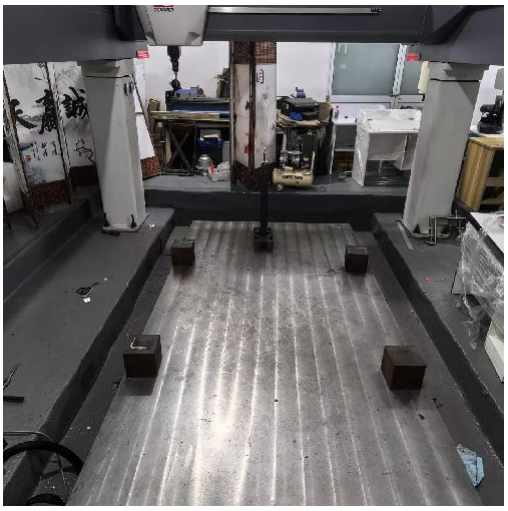

Carbon fiber extension rod (100mm) : 1 piece

Carbon fiber extension rod (200mm) : 1 piece

Standard calibration ball: 1 piece
