

Machine Name : Surface grinder

Brand : Okamoto

Machine Model : PSG-208DX

Stock No. : 88820

Ex-factory Date : 2015

Main Technical Parameters:

Worktable size: 2000*800mm

Distance from the top of worktable to the bottom of the grinding wheel is 695mm

grinding wheel Footage (external diameter * width * Internal diameter) : 510*50*127

Grinding wheel shaft speed (50Hz) : 980rpm

Grinding wheel shaft speed (60Hz) : 1100rpm

The power of the sand wheel shaft motor is 7.5kW

The power of the oil pressure pump motor is 5.5kW

The power of the upper and lower feed motors is 0.8kW
