Machine Name : Vertical machining center

Brand : OKUMA

Machine Model : MB-56VA

Stock No. : 65762

Ex-factory Date : 2004

Main Technical Parameters:

CNC CNC System: OSP-300MA

three-axis travel: 1050*560*460mm

spindle: BT40

Spindle speed: 15,000 resolutions

WorkWorktable size: 1300*560mm

WorkWorktable load: 900kg

Configuration

Equipped with a 170mm four-axle CNC System from Tsudakoma, Japan

Drive

Four-axis center

Original Laser Tool aligner aligner Aligner

"Chariot racing"

Oil mist collector

Several tools Tool holders

Usage time: Over 5,000 hours
