

Machine Name : Plastic injection machine

Brand : NISSEI

Machine Model : FNX 110

Stock No. : 88887

Ex-factory Date : 2010

Main Technical Parameters:

swing diameter: 28mm

Injection molding capacity: 77cm³

Injection pressure: 265mpa

Injection molding rate: 154cm³/s

Clamping force: 112TF
