

Machine Name : Drill-tapping machine

Brand : HARDINGE

Machine Model : GX 480 DT

Stock No. : 65842

Ex-factory Date : 2015

Main Technical Parameters:

spindle power : 7.5kW

Spindle speed : 24,000 RPM

three-axis travel : 480x400x430mm

Worktable size : 600x400mm

spindle nose to worktable surface : 150-580mm

Distance from spindle center to column : 429mm

Positioning precision : 0.01/0.004mm

tools magazine: 24

CNC System: Siemens 828D
