

Machine Name : Horizontal machining center

Brand : MAZAK

Machine Model : UN-600H

Stock No. : 88976

Ex-factory Date : 2013

Main Technical Parameters:

CNC CNC System: FANUC 32iMB

Worktable size: 400x400mm, capable of 4-axis simultaneous control

three-axis travel: 500*400*380mm

Spindle speed: 20,000 resolutions

power: 21.5kW

BT30 spindle

Fast movement: 60 meters

The B-axis is 0.001 degree

30 servo tools magazine

With a central flush
