

Machine Name : High-speed machining center

Brand : JD

Machine Model : JDHGT400T

Stock No. : 465357

Ex-factory Date : 2021

Main Technical Parameters:

It can be machining as small as: p0.05mm

machining precision :2-5 μ m

Spindle speed: 36,000rpm

three-axis travel: 400x400x200mm

Tool holder: HSKE32

tools magazine: 20

Equipped with a Fully close-loop optical scale

It comes with two Tool Aligner

Worktable size: 530x430mm

load: 300kg.

Tool changing time :2.5 seconds
