Machine Name : CNC gantry machining center

Brand : Hartford

Machine Model : CNC-2150H

Stock No. : 488571

Ex-factory Date : 2011

Main Technical Parameters:

CNC CNC System: FANUC 21i-MB

WorkWorktable size: 2100*1450mm

three-axis travel: 2060*1560*780mm

Distance between the two columns: 1680mm

Spindle speed: 6000rpm

spindle nose to workWorktable: 160-940mm

From the center of spindle to the column: 430mm

Main motor power: 18.5/22.5kw

Gantry width: 1600mm

Gantry height: 1080mm

3 axes rigid guideway

Tool holder: BT50

gear spindle

PamtonSchnell
