Machine Name : Horizontal machining center

Brand : DOOSAN

Machine Model : NHP6350

Stock No. : 488774

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC 31i

three-axis travel: 1050*900*1000mm

Spindle type: BT50 (electric spindle)

Spindle speed: 10,000 RPM

magazine capacity: 40

WorkWorktable size (double WorkWorktable) : 630*630mm

The maximum size of the workpiece is 1050*1350mm

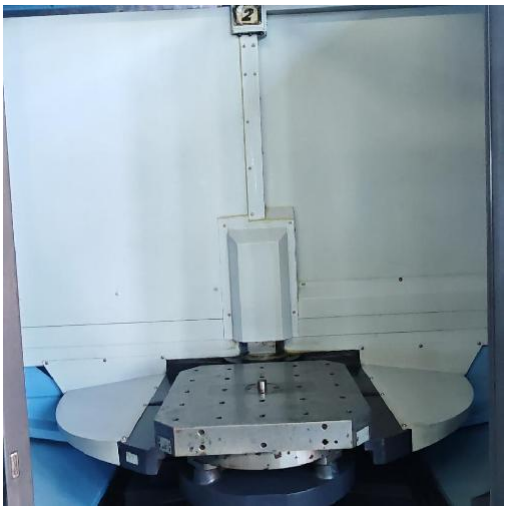

Fast moving rate: 60*60*60m/min

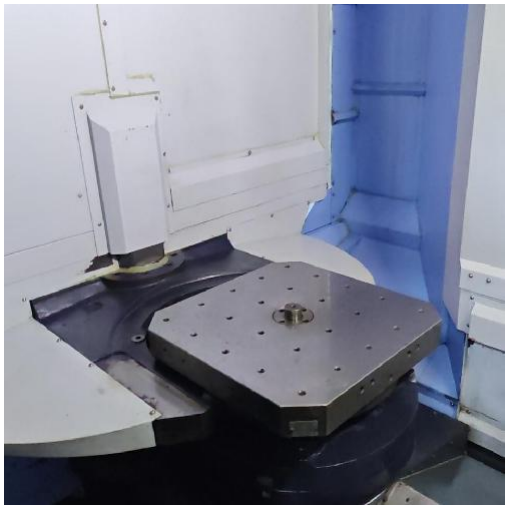

spindle motor power: 45/25 kW

Water outlet from the center of spindle: 30bar
