

Machine Name : Vertical machining center

Brand : Nantong

Machine Model : VCL850

**Stock No. :
cdb16ca744fa6d511e6932d7557a444d**

Ex-factory Date :

Main Technical Parameters:

Table size: 550*1000mm

Table bearing capacity: 750kg

T: five x100x18h8mm

Distance from spindle face to worktable :150-690mm

Distance from spindle center to column guide rail :610mm

Distance from worktable center to column guide rail :325-885mm

Taper of main shaft hole :BT-40

Spindle speed: 8000rpm

X axis stroke: 850mm

Y-axis stroke: 550mm

Z-axis stroke: 540mm

Cutting feed rate: 24m/min

Number of knives :24

Spindle motor: 7.5/11KW

Overall dimensions :2975x2710x2692mm

Machine weight: 6500kg

System: Fanuc MD System
