

Machine Name : Horizontal machining center

Brand : DOOSAN

Machine Model : HM635II

Stock No. : 489030

Ex-factory Date : 2015

Main Technical Parameters:

CNC CNC System: FANUC i SEREINes

Worktable size: 630*630mm

three-axis travel: 1000*800*850mm

Spindle type: BT50, gear spindle

Spindle speed: 6000rpm

With 70 kilograms of center flushing output

Tool: 40
