

Machine Name : The factory is selling second-hand machine tool. The new quality of Doosan HM805 II horizontal machining center from South Korea

Brand : Doosan, South Korea

Machine Model :

Stock No. :
9dc225785700e397a7ff90e253d48f0c

Ex-factory Date :

Main Technical Parameters:

Brand: Doosan, South Korea power :13.5kw drive Method: Servo drive Degree of newness: 90% new machining precision :0.006mm machining Customization: No Control Form: CNC System control machining Module: Custom Worktable size :800x800mm Degree of automation: Fully automatic Three-axis travel :1250x1000x1000mm power model :BT5 Spindle speed :6000rpm tools magazine quantity :40 pieces available for sale: Nationwide
