

Machine Name : machinery factory is urgently selling second-hand Datong Okuma L250E CNC Slant Lathed lathes and second-hand CNC lathes

Brand : Daito Okuma

Machine Model : L250E

**Stock No. :
9cb13d097ba9187cd078fadac70b38ef**

Ex-factory Date :

Main Technical Parameters:

Brand: Datong Okuma Newness: 80% new drive Method: Mechanical drive Main motor power :11 Maximum grinding size :500 Degree of Automation: Automatic Weight :3700 Footage :1569*2075*1550 machining precision :0.1 Worktable size :500*280 Equipment Location: Jiangsu Equipment Production Origin: Datong Available sales locations: All Country type: CNC machine tool model :L250E

The parameters are as follows

Bed Rotary worktable? Diameter: 450mm

machining diameter: 280mm

machining length: 500mm

Spindle speed: 3000rpm

Spindle through hole diameter: 66mm

Spindle speed: 3000rpm

Z-axis travel :520

mm

Diameter of spindle front bearing :100

mm

Main motor power: 7.5-11kw

machine tool weight: 3700kg

The external Footage of machine tool are 1569x2075x1550mm

Ex-factory date: 2015

CNC System: Okuma OSP-P200LA-R CNC System

8-inch chuck with 12 workstations

Grade precision with chip conveyor, rigid guideway machine

The company's inventory of similar products:

SMTCL :1635, 2050, 2546, 3220, 3230, 3250, 3635, 3650, 3675, 4030, 5050, 5054, 32100, 40100, 50100, 50150, 5075, 63150, 63300, 63400, 80150, 8040 0, i5T3, i5T3.3, i5T3.6, i5T5, i5T5.2, T2, T4

Neway :NL201, 251, 362, 502, 504, 634, 635

HISION :TC16, 25, 35, 40/HTM35, 40

Baoji :CK40, 50, 6730, 7516, 7520, 7525, 7530, 7550, 7660

Doosan :LYNX205, 215, 225, 235, 305, 400, 2450, 3050

Mazak :QTN100, 150, 200, 250, 300

Okuma :E40, L250, 270, 370, 390, 400

Wia :SKT200, 210, 250, 280, 300, 600

HAAS :ST10, 20, 30, 40

Takisawa :EX106, 108, 100, 110

DMG :CTX310, 410, NLX2500

GOODWAY :GLS200, 260, 2000, 4300

VICTOR :Vturn20, 26, 36, 46

We have all kinds of machining center, flat rail and inclined rail CNC lathes, ordinary lathes, boring machine, grinder , milling machine, radial drilling machines, presses, shearing and bending machines, punch presses and chip conveyors, etc. As long as you have a need, I will have the supply. Welcome to call for negotiation
