

Machine Name : Play tricks

Brand : STAR

Machine Model : SP-23

Stock No. : 89168

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC PLus

Maximum machining diameter :25.4mm

spindle side milling power :7 pieces

back-spindle dynamic force :4 positions

It features stepcycle chip breaking function

Oil mist collector collector

high pressure pump

Transformer compressor

Rotate the guide sleeve

The 326 feeding machine on praseodymium
