Machine Name : CNC gear hobbing machine

Brand : NILES

Machine Model : ZE 630

Stock No. : 89188

Ex-factory Date : 2008

Main Technical Parameters:

CNC System: Siemens Maximum Gear diameter: 650mm Minimum Distance between centers from Worktable to the grinding wheel: 100mm The maximum Distance between centers from Worktable to the grinding wheel: 19.69mm Helix Angle: 0.375 degree Travel length: 600mm Worktable diameter: 25.59mm Through hole/depth of Worktable: 125mm / 500mm Grinding wheel diameter: 350mm Grinding wheel width: 80mm
