

Machine Name : Turn-milling machining Center

Brand : Takisawa

Machine Model : TCY-160YS

Stock No. : 89197

Ex-factory Date : 2019

Main Technical Parameters:

CNC CNC System: FANUC 32i-B

spindle speed: 4000 resolutions

spindle: 6-inch chuck

Through hole diameter: 42mm

Secondary spindle: 6-inch chuck

12-position tool turret

Drive head

X* Z-axis travel: 440*530mm

A* Y-axis travel: 580*±61mm

Maximum machining diameter: 220mm

Maximum machining length: 491mm
