

Machine Name : Horizontal machining center

Brand : HAITIAN

Machine Model : HUP100

Stock No. : 488790

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC oi-MF Plus

Worktable size: 1000*1000mm

three-axis travel: 1800*1500*1350mm

Rotary diameter: 1800mm

Worktable (worktable) load: 3000kg

Spindle speed: 6000rpm

Tool holder: BT50

One degree to a point

magazine capacity: 60

Optional:

30 kilograms of Center flushing

chip conveyor
