Machine Name : CNC lathe

Brand : Nakamura-Tome

Machine Model : WY-100II

Stock No. : 66100

Ex-factory Date : 2018

Main Technical Parameters:

mill motor power: 7.1/2.2kW

spindle speed: 6,000rpm

6-inch chuck

Optional 12 workstations and 24 indexing

Up to 48 Tools can be equipped

Alphard motor drive

Equipped with an automatic chip conveyor

Y-axis double tool turret

Opposite dual spindle

Simultaneous machining on both sides

PamtonSchnell
