

Machine Name : CNC lathe

Brand : Leadwell

Machine Model : F1

Stock No. : 89261

Ex-factory Date : 2017

Main Technical Parameters:

CNC CNC System: FANUC

Main motor power: 11KW

Maximum machining length: 420mm

Maximum machining diameter: 280mm

Maximum rotational diameter: 446mm

The diameter of spindle through hole is 51mm

Spindle speed stages: stepless

Configuration

hydraulic tailstock

Chain type chip conveyor
