

**Machine Name : Three-coordinate
measuring instrument**

Brand : HEXAGON

Machine Model : TIGO SF

Stock No. : 89276

Ex-factory Date : 2021

Main Technical Parameters:

Measurement travel: 500*580*500mm

The maximum weight of the workpiece under test: 100KG

The maximum allowable error for length measurement (0, MPE) : $2.3 + L/300$

The maximum allowable error for length measurement (60, MPE) : $2.3 + L/300$
