

Machine Name : Cylindrical grinder

Brand : Shigiya

Machine Model : GNW-30

Stock No. : 89287

Ex-factory Date : 2003

Main Technical Parameters:

CNC CNC System: FANUC

Maximum rotational diameter: 300mm

Maximum grinding diameter: ϕ 100mm

The load-Load between the two centers: 150 kg

Distance between centers: 800mm

grinding wheel diameter: 510 mm
