

Machine Name : Punch press

Brand : AIDA

Machine Model : NC1-1100-1

Stock No. : 66226

Ex-factory Date : Supplementary

Main Technical Parameters:

Nominal capacity: 1100kN

travel length: 110mm

Continuous travel number: 100spm

Closed mold height: 320mm

Slider adjustment length: 90mm

Slider size: left-right X front and back: 630x520mm

Worktable size: left-right X front and back: 1070x520mm

Main electromotor: 11KW

Supply air pressure: 0.5mpa

Maximum overhang mass of the upper mold: 256kg
