Machine Name : Vertical machining center

Brand : Hodao

Machine Model : HD-V8

Stock No. : 66238

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC MFplus

WorkWorktable size :900x450mm

WorkWorktable load :450kg

three-axis travel :800x500x550mm

Distance from the front end of spindle to workWorktable :120-670mm

Distance from spindle center to the column surface :580mm

Spindle speed: 12,000 RPM

spindle motor :7.5kw
