

Machine Name : Punch press

Brand : AIDA

Machine Model : A-SF-550S

Stock No. : 89354

Ex-factory Date : 1999

Main Technical Parameters:

Sliding size: 550*400 mm

Bolt size: 550*500 mm

travel length: 0-100 mm

Maximum sliding speed: 235mm/s

Maximum pressurization capacity: 30Tons

Head height: 300mm

Opening height: 400mm

actuating motor: 30kW(main motor, AC)

Gas supply pressure: 5 kgf/cm²

The maximum suspended load-Load of the upper mold is 100 kgf
