

Machine Name : CNC gantry machining center

Brand : KENT

Machine Model : KMV-32P

Stock No. : 89374

Ex-factory Date : 2006

Main Technical Parameters:

CNC CNC System: FANUC -18i-MB

three-axis travel: 3200*1900*900mm

spindle: BT50

Spindle speed: 7000rpm, gear spindle

guideway: two lines and one rigid guideway

Worktable size: 3200*1650mm

Height of the gantry: 1800mm

Gantry width: 1145mm

Distance from worktable to spindle nose is 930mm

magazine capacity: 24

Faucet chip removal
