

Machine Name : CNC gantry boring and milling machine

Brand : Ding Tai

Machine Model : DTPX3025L

Stock No. : 66350

Ex-factory Date : Supplementary

Main Technical Parameters:

CNC System: FANUC MF Plus

Worktable size: 2.3x3m

three-axis travel: 3050x2700x980mm

Gantry Width: 2.6 meters

Gantry Height: 1.35 meters

Two linear guideways and one rigid guideway

BT50 spindle leather head

Chain baling machine, oil chiller, transformer
