

Machine Name : Gantry machining center

Brand : TAIGONG

Machine Model : TG-VP4228

Stock No. : 466114

Ex-factory Date : 2024

Main Technical Parameters:

Two linear guideways and one rigid guideway

spindle: BT50

CNC System: FANUC Plus

THK55 roller linear guideway

Carry 30 kilograms of center flushing output

Worktable: 2500*4000mm

Z-axis travel: 1250mm

The gantry is Gantry height: 1690mm

The gate is too wide: 2800mm

Equipped with a double-sided measuring and milling head
