

Machine Name : CNC turning milling and drilling center

Brand : Topper

Machine Model : TB-20Y

**Stock No. :
9b8e050502ddaafd738a6ae7bc50b124**

Ex-factory Date :

Main Technical Parameters:

XYZ three-axis stroke: 230/51/600mm, rotary diameter 620mm, rotary diameter on slide cover 340mm, cutting diameter 255mm, cutting length 570mm, bar capacity 51mm, spindle speed 4500rpm, spindle nose A2-6, Collet outer diameter INCH8 ", spindle aperture 62mm, tool specification VDI-40, tool number 12, outer diameter hilt 25*25mm, inner diameter hilt 40mm, tail seat stroke 600mm, center tail seat push father MT#5, tail seat moving weight: oil pressure, length and width height: 2750*1940*2000, weight: 4800KG.
