

Machine Name : CNC gantry machining center

Brand : STARVISION

Machine Model : CLG-3223

Stock No. : 89500

Ex-factory Date : 2019

Main Technical Parameters:

CNC CNC System: FANUC MFPlus

Worktable size: 3000*2000 mm

Worktable load: 7000 kg

three-axis travel: 3200*2300*1000 mm

spindle type: BT50, gear spindle

Maximum spindle speed: 8000 rpm

Height of the gantry: 1300mm

Gantry width: 2500mm

machine tool weight: 25,000 kg

Configuration

Track: Two tracks and one hard track

spindle is equipped with an oil chiller

Faucet-type chip conveyor
