Machine Name : Horizontal machining center

Brand : DOOSAN

Machine Model : HM1005

Stock No. : 66462

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC MFplus, driven by α motor

three-axis travel: 2100*1250*1250mm

spindle: BT50

magazine capacity: 60, chain type

Configuration

high pressure center flushing outlet (optional)

3 axes Heidenhain glass scale

Fully close-loop control

Top cooling spray CNC System

Broken tools detection device

PamtonSchnell
